GENERAL PACKAGING

EDGE AND CORNER PROTECTION

We offer a variety of edge and corner protection including foam, polystyrene, plastic and cardboard in various lengths and widths, ideal for the protection of those easily damaged furniture edges and corners.

POLYPROPYLENE STRAPPING

Available in a range of strengths and widths, polypropylene strapping is flexible light and easy to handle. Used for securing awkward items, carton sealing and pallet stabilisation. We have available a range of hand sealers, tensioners, seals, buckles and stands.

POSTAL MAIL BAGS

Economical practical lightweight bubble lined envelopes in white giving strength and cushioning protection. Self adhesive strip on top flap gives fast and secure sealing, full variety of sizes available.

LABELS

We can supply permanent or semi permanent adhesive labels of all sizes and colours on either sheets or rolls.

LOOSEFILL

Polystyrene loosefill provides excellent protection for odd shaped items against crushing and rough handling. It is lightweight, clean and supplied in 15 cu ft bags (0.425 cub Mts.).

STRETCH WRAP/ PALLET WRAP

Is a cost effective method to protect and secure a range of items including cartons and drums to pallets and provide load stability. Colours available are clear or black together with a variety of widths and thicknesses.

MISC

GLOVES

- **Yellow Criss Cross** - extra grip gloves give ideal all round handling capability.
- **White Cotton** - extra grip lightweight gloves with good handling capability.
- **Latex** - supplied in boxes of 100

TACHOGRAPH DISCS - Boxes of 100.

KEY BAGS - Cloth backed paper with drawstrings or resealable polythene bags for those easily misplaced small items.

ADHESIVE TAPES

VINYL OR PVC SEALING TAPE - Tough and strong with high tack silent unwind and easy to tear characteristics.

POLYPROPYLENE TAPE - A more economical alternative to PVC but still satisfy the needs of all sealing applications.

LOW NOISE POLYPROPYLENE TAPE - This offers a smoother release and with the added advantage of silent unwind like PVC.

CREPE PAPER MASKING TAPE - Easy to tear by hand and ideal for surface protection paint masking, packaging and temporary masking.

DOUBLE SIDED TAPES - In fabric polypropylene or tissue .

PREPRINTED TAPES - Printed in red on white (see example: "Fragile" below).

GAFFER CLOTH TAPE - Water proof polypropylene/cloth laminated tape.

MONOWEAVE AND CROSSWEAVE TAPES - They are heavy duty polypropylene tapes with glass fibre filaments providing an immensely strong method of bundling strapping or carton sealing.

LANE MARKING TAPE - In yellow/black striped colours.

PRINTED TAPES - An attractive and practical way of promoting your company image reduces the need for specially printed expensive cartons and acts as a security barrier against would be thieves. Simply supply us with your design or letter head and we will supply proof for your approval prior to printing.

DISPENSERS - We have available standard hand held pistol grip and table top dispensers.
